

# See Something? *Say Something!*

**Compliance is important. Be part of the solution!**

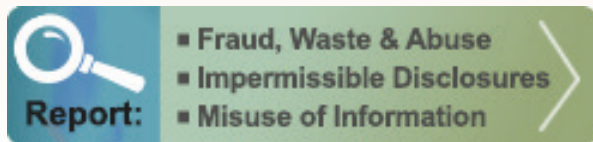

There are many people available to respond to your concerns. If you suspect fraud, waste, abuse or any other kind of non-compliance, you should promptly report it to Senior Whole Health.

Reporting is anonymous. All reports are treated confidentially. Senior Whole Health policy prohibits retaliation against anyone who reports suspected violations in good faith.

**You can “SAY SOMETHING” by calling our anonymous hotline 24 hours a day, 7 days a week.**
