Notice to providers regarding updated policies for diagnostic radiology, E/M codes, cardiovascular surgical procedures and hydration, therapeutic, diagnostic injections, and infusions.

To Whom it May Concern:

We're writing to inform you that Senior Whole Health will be updating policies for the following specialties:

- **Diagnostic radiology (procedures 70010-79999)** for both practitioner and outpatient hospital services. These policies will reflect the rules and regulations set by Medicaid and Medicare for bundling procedures concerning diagnostic radiology.
- **E/M codes (procedures 99201-99499)** for both practitioner and outpatient hospital services. These policies will reflect the rules and regulations set by Medicaid and Medicare for bundling procedures concerning E/M codes.
- **Surgical procedures of the cardiovascular system (procedures 33016-37799)** for both practitioner and outpatient hospital services. These policies will reflect the rules and regulations set by Medicaid and Medicare for bundling procedures concerning surgical procedures of the cardiovascular system.
- **Hydration, therapeutic, diagnostic injections and infusions (procedures 96360-96379)** for both practitioner and outpatient hospital services. These policies will reflect the rules and regulations set by Medicaid and Medicare for bundling procedures concerning hydration, therapeutic, diagnostic injections and infusions.

You can access all the Medicare and Medicaid rules and regulations concerning the above procedure groups using the links below:
