Mass Immunizer Providers

In order to accelerate the administration of COVID-19 vaccines to Massachusetts residents, the Massachusetts Department of Public Health (DPH) is contracting with certain entities to administer large scale COVID-19 vaccination clinics at certain authorized sites. To facilitate payment for COVID-19 vaccines administered to MassHealth members at these sites, MassHealth is hereby establishing a new provider type called mass immunizer providers. Depending on the specific contractual arrangement between DPH and the contracted entity, either DPH or the entity contracted with DPH will be responsible for billing MassHealth and other payors for COVID-19 vaccination services rendered at the authorized sites and may enroll as a MassHealth mass immunizer providers. Regardless of billing model, MassHealth mass immunizer providers must meet the following provider participation requirements:

- (1) Complete and submit an application for enrollment as a MassHealth provider in the form and manner specified by MassHealth;
- (2) Enter into a MassHealth provider contract;
- (3) Enter into a DPH COVID-19 Mass Vaccination Site contract;
- (4) Have the capacity to complete COVID-19 vaccination services for at least 500 individuals per day cumulatively across all authorized sites within one week of the contract start date (or such other thresholds as may be established in the specific DPH COVID-19 Mass Vaccination Site contract);

Payment for COVID-19 Vaccine Administration for Uninsured Individuals

Mass Immunizer providers are responsible for checking the Eligibility Verification System (EVS) for MassHealth eligibility and other sources to determine whether a patient is insured. Providers should bill the federal COVID-19 Uninsured Program portal for uninsured patients as defined by the Health Resources and Services Administration (HRSA). Individuals with MassHealth Limited and Health Safety Net patients without other coverage (MassHealth Limited is not considered coverage for purposes of this paragraph) are considered uninsured for purposes of COVID-19 vaccination. Providers should submit their claims for COVID-19 vaccine administration to the HRSA Portal for Uninsured Individuals at <https://coviduninsuredclaim.linkhealth.com/>.

Additional COVID-19 Vaccine Codes

MassHealth expects to add new covered COVID-19 vaccine codes as additional COVID-19 vaccines become available and will describe the new codes and expected payment rates in the form of a subsequent provider bulletin. Rates will be formally established through EOHHS regulations or administrative bulletins, as appropriate.
